

Attention students, alumni, family and friends...

### Reserve your place in Christ College history!

An engraved brick on the memory walk is a perfect way to create a bridge between past and present and to honor alumni and friends of the college. It's also a great way to commemorate your graduation. Your donation of \$150 will allow you to become a permanent part of The Christ College history and mark your experience or that of a loved one forever! Each brick will be carefully engraved, and then permanently installed as a lasting remembrance.

You are able to inscribe your brick with the name of a treasured family member, friend or colleague. Donations to the college through The Christ Hospital Foundation are tax-deductible, and proceeds support the college.

The walk encourages the continuation of community at The Christ College of Nursing and Health Sciences. This special brick memory walk allows students, alumni, and friends to support the college while also leaving a permanently engraved legacy.

### BUY-A-BRICK
