

Curriculum Overview*(Current as of November 1, 2011. Additional updates will be available in January-February 2012)*

The curriculum is based on 72 semester credit hours and is designed to be completed within 2 academic years (also referred to as the 2 year track). A 3-year plan option is available. The plans are outlined below. Please note that all college and program requirements should be discussed with your academic advisor.

Two Year Plan (2011-2012)*(2012-2013 revisions available in February 2012)*

Year One					
	Credit Hours²	Weeks	Class Hours	Lab Hours	Clinical Lab Hours
Fall Semester¹		16			
NUR100	1		15		
NUR110	2		30		
NUR120	5		45		90
BIO111 (w/Lab)*	4		45	30	
ENG101*	3		45		
GEN101*	1		15		
SubTotal for Fall Semester:	16	16	195	30	90
	Credit Hours²	Weeks	Class Hours	Lab Hours	Clinical Lab Hours
Spring Semester		16			
NUR130	1		15		
NUR150	8		75		135
BIO112 (w/Lab)* and/or BIO121 (w/Lab)*	4		45	30	
COM101*	3		45		
SubTotal for Spring Semester:	16	16	180	30	135
	Credit Hours²	Weeks	Class Hours	Lab Hours	Clinical Lab Hours
Summer Session		8			
BIO112 (w/Lab)* and/or BIO121 (w/Lab)*	4		45	30	
SubTotal for Summer Session:	4		45	30	
Totals for Year One:	36	40	420	90	225
Year Two					
	Credit Hours²	Weeks	Class Hours	Lab Hours	Clinical Lab Hours
Fall Semester		16			
NUR200 or 201	10		75		225
PHI103 ⁴	3		45		
PSY101 ⁴	3		45		
SubTotal for Fall Semester:	16	16	165		225
	Credit Hours²	Weeks	Class Hours	Lab Hours	Clinical Lab Hours
Spring Semester		16			
NUR200 or 201	10		75		225
FA101 ⁴	3		45		
SOC101 ⁴	3		45		
SubTotal for Spring Semester:	16	16	165		225

	Credit Hours ²	Weeks	Class Hours	Lab Hours	Clinical Lab Hours
Summer Session		8			
NCLEX Review³	0	1			
NUR300	4	7	22.5		112.5
SubTotal for Summer Session:	4	8	22.5		112.5
Totals for Year Two:	36	40	352.5		562.5
Totals for Program:	72	80	772.5	90	787.5

¹A semester equals fifteen (15) instructional weeks and one (1) week of exams.

²One (1) credit hour equals one (1) hour of class or three (3) hours of clinical lab, or two (2) hours of science lab per week.

³The NCLEX-RN review course is taken between the spring semester and summer session. It is required for graduation but is offered for "0" credit hours.

⁴These courses may be taken fall or spring semester of the second year or sooner. Courses must be completed prior to graduation.

*These general education courses must be completed before taking Nursing 200, Nursing 201 or Nursing 300.

Three-Year Plan
(2012-2013 revisions available in February 2012)

Year One	Credit Hours ²	Weeks	Class Hours	Lab Hours	Clinical Lab Hours
Fall Semester¹		16			
BIO111 (w/Lab)*	4		45	30	
ENG101*	3		45		
GEN101*	1		15		
PHI103 or FA101	3		45		
SOC101 or PSY101	3		45		
SubTotal for Fall Semester:	14	16	195	30	
	Credit Hours ²	Weeks	Class Hours	Lab Hours	Clinical Lab Hours
Spring Semester		16			
BIO112 (w/Lab)* and/or BIO121 (w/Lab)*	4		45	30	
COM101*	3		45		
FA101 or PHI103	3		45		
PSY101 or SOC101	3		45		
SubTotal for Spring Semester:	13	16	180	30	
	Credit Hours ²	Weeks	Class Hours	Lab Hours	Clinical Lab Hours
Summer Session		8			
BIO112 (w/Lab)* and/or BIO121 (w/Lab)*	4		45	30	
SubTotal for Summer Session:	4	8	45	30	
Totals for Year One:	31	40	420	90	

Year Two					
	Credit Hours²	Weeks	Class Hours	Lab Hours	Clinical Lab Hours
Fall Semester		16			
NUR100	1		15		
NUR110	2		30		
NUR120	5		45		90
SubTotal for Fall Semester:	8	16	90		90
	Credit Hours²	Weeks	Class Hours	Lab Hours	Clinical Lab Hours
Spring Semester		16			
NUR130	1		15		
NUR150	8		75		135
SubTotal for Spring Semester:	9	16	90		135
Totals for Year Two:	17	32	180		225
Year Three					
	Credit Hours²	Weeks	Class Hours	Lab Hours	Clinical Lab Hours
Fall Semester		16			
NUR200 or 201	10		75		225
SubTotal for Summer Session:	10	16	75		225
	Credit Hours²	Weeks	Class Hours	Lab Hours	Clinical Lab Hours
Spring Semester		16			
NUR200 or 201	10		75		225
SubTotal for Spring Semester:	10	16	75		225
	Credit Hours²	Weeks	Class Hours	Lab Hours	Clinical Lab Hours
Summer Session		8			
NCLEX Review³	0	1			
NUR300	4	7	22.5		112.5
SubTotal for Summer Session:	4	8	22.5		112.5
Totals for Year Three:	24	40	172.5		562.5
Totals for Program:	72	112	772.5	90	787.5

¹A semester equals fifteen (15) instructional weeks and one (1) week of exams.

²One (1) credit hour equals one (1) hour of class or three (3) hours of clinical lab, or two (2) hours of science lab per week.

³The NCLEX-RN review course is taken between the spring semester and summer session. It is required for graduation but is offered for "0" credit hours.

⁴These courses may be taken fall or spring semester of the second year or sooner. Courses must be completed prior to graduation.
