RN-BSN students who are accepted at The Christ College of Nursing and Health Sciences are required to submit proof of health insurance upon receiving the acceptance letter. RN-BSN students are expected to maintain current CPR certification. The student will be asked to submit proof of CPR certification at the beginning of each clinical course via Blackboard.

Proof of Health Insurance:

All students enrolled in the College are required to carry health insurance and provide proof of current personal health insurance coverage to TCCNHS. A student may not participate in any course without meeting these requirements. Students who do not comply will not be allowed to continue enrollment at The Christ College of Nursing and Health Sciences.

- **A copy of your health insurance card, front and back, must be submitted to:**
  Sandy Haungs, Administrative Assistant
  The Christ College of Nursing & Health Sciences
  2139 Auburn Avenue, Office 120
  Cincinnati OH 45219
  513-585-2050 office
  513-585-3540 fax
  Take a pic and email to: Sandy.Haungs@TheChristCollege.edu

Proof of CPR Certification:

RN-BSN students are required to submit proof of CPR/BLS certification via Blackboard (class assignment) at the beginning of each clinical course – NUR 435, NUR 450 and NUR 465.

The Christ College of Nursing and Health Sciences **does not** accept CPR certification from online courses, and requires certification from the **American Heart Association**. Students who do not comply will not be allowed to continue enrollment at The Christ College of Nursing and Health Sciences.

**IMPORTANT:** Check your card expiration date and make sure you are certified through the American Heart Association **before** submitting proof. Need recertification? Register for a class in one of two ways.

- **CPR Classes:**
  The Christ Hospital offers courses in Basic Life Support for the Health Care Provider (CPR). Click this link for course offerings: [https://thechristhospital.enrollware.com](https://thechristhospital.enrollware.com). If you have any questions, contact Susan Cooper, TCH Staff Development, 513-585-1122, Susan.Cooper@thechristhospital.com.

  A second option for students to obtain CPR/BLS certification is through the American Heart Association. Select a “classroom course” titled Basic Life Support for the Health Care Provider (CPR). “Online” courses **will not be** accepted; there are no exceptions. The AHA offers a link to more information, course offerings, and locations: [http://www.heart.org/HEARTORG/](http://www.heart.org/HEARTORG/)

**TCHHN Employees** may submit proof of CPR/BLS certificates from Health Stream. The certificate will indicate successful completion of the skills practice and testing.
