

HOW TO CREATE A REFWORKS ACCOUNT

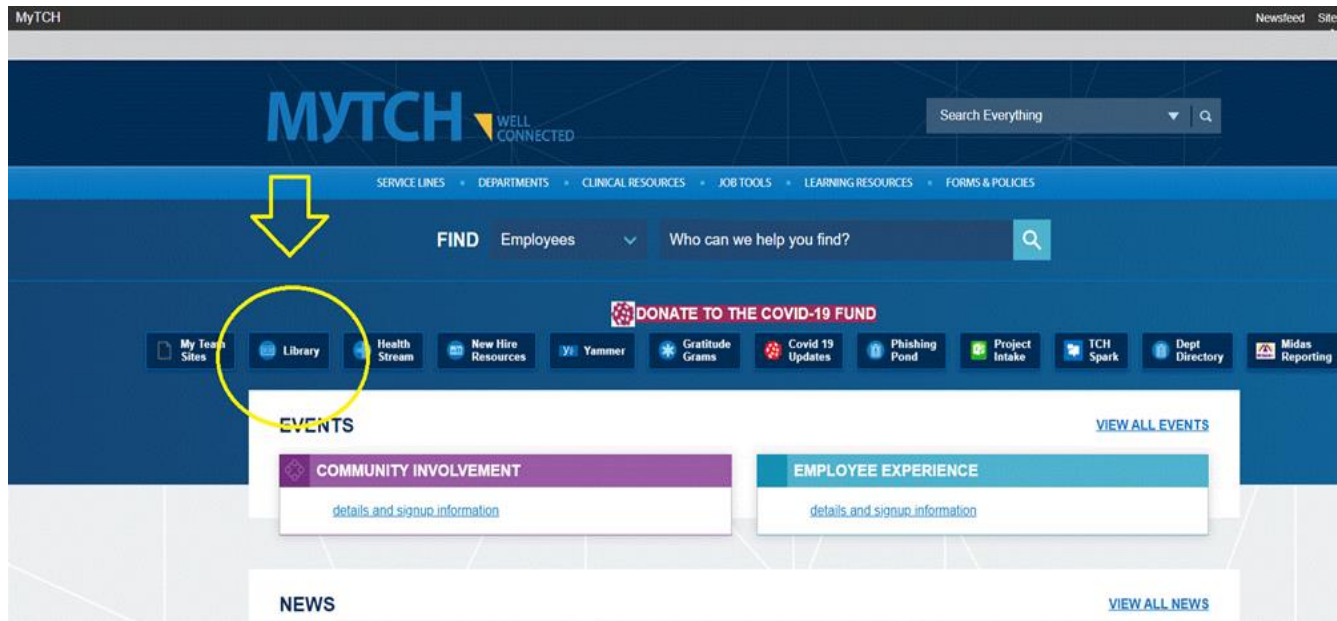

James N. Gamble Library

07/08/2020

NOTE:

Creating a RefWorks account will require a user to click a link found on the Library's intranet page (easily accessible through MyTCH). Yet after the RefWorks account is created, a user can access it directly through the RefWorks website at <https://refworks.proquest.com/> without needing to go through the library page.

Step 1) Visit the MyTCH homepage and click the “Library” icon in the top-left corner.

2) On the Library's intranet page, scroll to the bottom and click on the RefWorks link.

NEW SUBSCRIPTION DATABASES

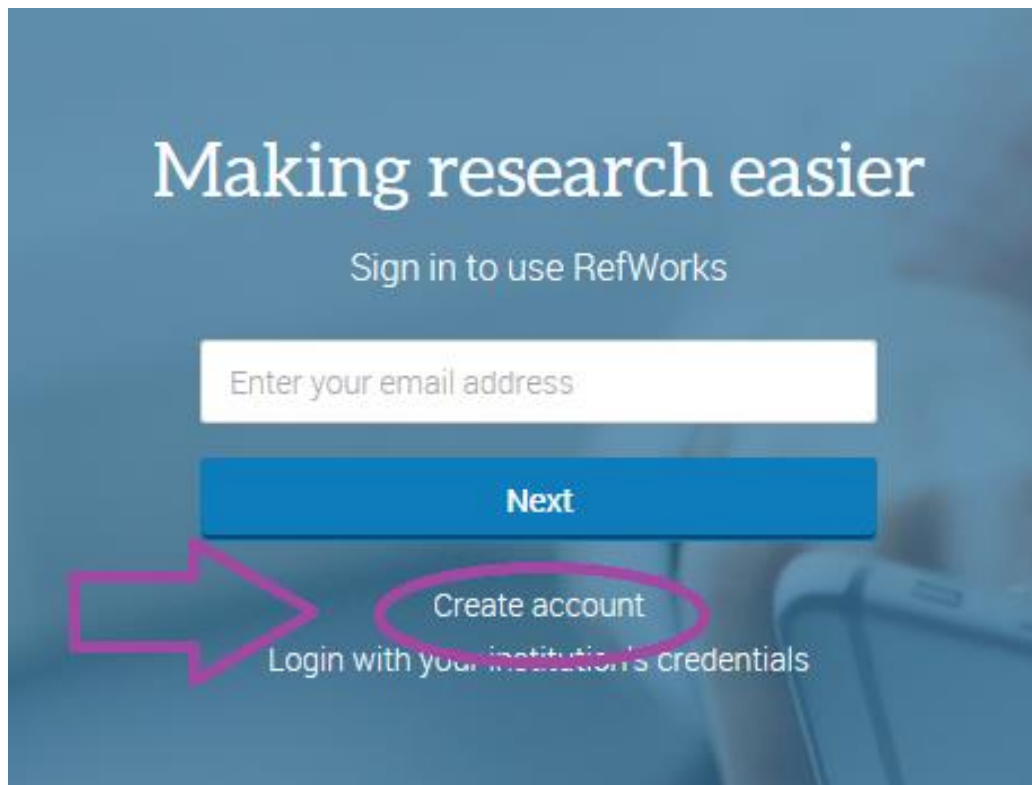

As of August 2017, a New version of RefWorks has been implemented. The New RefWorks is an online research management, writing, and peer-to-peer collaboration tool, enabling users to easily manage research information and create bibliographies in seconds.

PUBLICATIONS BY TCHHN-AFFILIATED AUTHORS

Click [here](#) to view a PDF bibliography of TCHHN author-affiliated publications from 1987 to the present. Let us know if you do not see your publication and we can add it!

3) On the RefWorks homepage, click the “Create Account” link.

4) Enter your institutional email address (ending in @thechristcollege.edu or @thechristhospital.com), and create a password. A personal email (@gmail etc.) cannot be used.

5) An activation link will be sent to the email address that was used to create the account. Log-in to the email account and click on the activation link. If you don't see the activation email in your inbox, please check your "junk" folder in case it was sent there.

6) Once you click on the link in the activation email, you will be directed back to RefWorks to enter your name, role, and department affiliation. You will also see a pop-up related to RefWorks features, yet you will have the option to click “Skip.”

7) You are now officially a New RefWorks user! Let the research begin!
