- Maryland
- Massachusetts
- Michigan
- Minnesota
- Mississippi
- Missouri
- Montana
- Nebraska
- Nevada
- New Jersey
- New Mexico
- New York
- North Carolina
- North Dakota
- Ohio
- Oklahoma
- Oregon
- Pennsylvania
- South Carolina
- South Dakota
- Texas
- Utah
- Vermont
- Virginia
- West Virginia
- Wisconsin

For the following states, the college has not determined whether the BSN program meets the educational requirement to become licensed in that state. Please contact the Program Director for additional information.

- Arkansas
- Georgia
- Kansas
- Maine
- New Hampshire
- Rhode Island
- Tennessee
- Washington
- Wyoming

Associate in Applied Science in Medical Assisting

Typically, states do not require medical assistants to be certified or licensed. However, a certification in medical assisting may provide additional job opportunities. This program meets the educational requirements to prepare for an exam for the following credentials:

- The Certified Clinical Medical Assistant (CCMA), which is offered through the National Healthcare Association
- The Registered Medical Assistant (RMA) credential, which is offered through American Medical Technologists (AMT)

The following states do not require a license or certification for medical assistants.

Indiana

Kentucky

Ohio

If your state or territory is not listed above, the college has not determined whether the program meets the education requirement of your state. Please contact the Program Director for additional information.
